

Northern Ramblers Car Club

Over the past few years we have seen Club revenues from advertisers dry up. Several of those still in the Newsletter have not renewed but we keep them in there as they provide valuable information, and parts, to members. Having said that, the time has come for them to either pay up, or be dropped. In many cases it is not their fault as we have been unable to find a volunteer willing to take on the role of contacting current and new advertisers. As a result, we have come up with an alternative. Any member who closes a deal with a new advertiser will be rewarded as follows. All ads must be approved first by myself to ensure suitability.

Business Card Sized or Quarter Page Ads (cost \$100 or \$150)- One year's free membership

½ Page Ad (cost \$200)- Two year's free membership

Full Page Ad (cost \$300)- Three year's free membership

In an effort to bolster the membership ranks, we are considering opening up membership to the following vehicles. Before doing so, we would like to get input from the current membership. Please take the time fill out this form on your screen, save it and Email it to Steve at info@northernramblersclub.com, or you can print out the form and mail it to me, **Steve Johnston**, 119 Cook Drive, King Ontario, L7B 0E8.

1. Admitting Eagles and Wagoneers from 1988 to 1991 as Chrysler made virtually no changes to vehicles during those years except for the badging.
